

# FOUNTAIN MEDICAL CORONA VIRUS TESTING PROCEDURE

If you have traveled overseas in the last 14 days, or have been in contact with a person who has had a positive test, and you have a cough and temperature; you may be tested for COVID 19 virus.

1. Ring Fountain Medical on 93194665 prior to arriving for your appointment.
2. Inform the receptionist that you may need testing for COVID 19 or Corona virus.
3. Reception will meet you at the top of the stairs and show you to a separate room.
4. You will need to remain in the room until doctor attends.
5. After your appointment, reception will take your payment in the hallway, your medicare rebate will be processed online.
6. There is currently a backlog of testing for the virus to be done. It is taking at least three days to get results. We will call you with any abnormal results.
7. You will need to self isolate for up to 14 days for a positive result, or until the swab results are negative. Use Panadol to control fevers, practice good hand hygiene and cough etiquette.
